UNMATCHED STRUCTURE

American Made Quality from the Bottom Up

TOUGH FRONT END

Our boats have an extremely durable front bumper that is fully welded, created from reinforced 3" extruded aluminum C-channel.

AUTOMOTIVE & RESIDENTIAL STRUCTURE

Our structural cross members are 16" on center or closer, similar to home construction. This provides a better structure and one that can take on many years of use.

UNRIVALED WELDS

Our team uses a combination of TIG hand welding and robotic MIG welds. We are so confident in our work that we provide a limited lifetime warranty on all our welds!

KEEP IT DRY

We include oversized spray deflectors on all our boats to make a dry ride every time.

CONSISTENT PRODUCTION

Every boat we build is on the same production line and crafted with the same excellence and integrity across the board.

BOATING PEACE OF MIND

Included Standard with each of our 2025 Pontoon Boats

LIMITED LIFETIME STRUCTURAL WARRANTY

On all seam welds, including pontoon assembly, deck risers, and motor mounts for the original retail purchaser under non-commercial use.*

LIMITED LIFETIME DECKING WARRANTY
